Seamen's Hospital Society.

ANNUAL REPORT FOR THE YEAR 1924.

THE Committee herewith present their Report for the year 1924.

Thanks to the support accorded by the many friends of the Sailor, the Society has been able to continue that virile growth which has for years past been one of its essential characteristics. It is now possible for the captain of a vessel, by sending a wireless message, to have one of the Society's Ambulances waiting at the quay-side when his vessel berths, so that the patient can be in bed in Hospital within an hour or two of the ship's arrival. By this means it is now possible for the doctor, by preventing sepsis from becoming fatal, to save the limb, or even the life, of a Sailor.

In their last Report the Committee foreshadowed that the erection of the Nurses' Home for the Dreadnought Hospital would be started during the year 1924. They regret that certain unforeseen legal difficulties have prevented this. These are now being overcome, and it is hoped that the early summer will see the laying of the foundations.

On the 27th June, the President, H.R.H. The Duke of York, visited the Society's Hospital at Tilbury, in order to declare open the Singhaanee Ward, and at the same time to lay the foundation stone of the new buildings. These comprise a Nurses' Home and two new Wards of 22 beds each. Mr. Stanley Hamp, F.R.I.B.A., of Messrs. Colcutt & Hamp, who designed the Sanatorium Pavilion at Bramshott for the Society, is the Architect. The Tilbury buildings are single-storied pavilions, built on ferro-concrete rafts, appropriate to the alluvial nature of the soil. The walls are of hollow

cement and brise blocks, which render the interior cool in summer and warm in winter. There is no exterior wood-work, the window-frames being especially designed in metal. The buildings may be taken to be the most up-to-date example of hospital construction. Such good progress is being made that it is hoped to open the new Hospital during the course of the summer. It will cost upwards of £30,000 to enlarge and equip this branch of the Society, and the Committee invite the assistance and support of every well-wisher of the Sailor, in the form either of a special contribution towards the cost of the new buildings, or of the endowment of a bed.

The Committee has also sanctioned the enlargement of the Angas Convalescent Home at Cudham, in accordance with plans prepared by Mr. A. Roberts, F.R.I.B.A. The extension will comprise a Recreation Room, rooms for Convalescent Nurses, and another section for Officers of the Mercantile Marine. The cost of these extensions will amount to £3,500. Of this sum, £3,000 has been received in special contributions, the balance of £500 being given by Mrs. Angas, the founder of the Home.

The year 1924 has seen the amalgamation of the London School of Tropical Medicine with the London School of Hygiene and Tropical Medicine.

It was in the early part of the year 1898, on the initiative of the late Sir Patrick Manson, that the then Secretary of State for the Colonies, Mr. Joseph Chamberlain, put forward a proposal for the formation of the School, in which Medical Officers in the Colonial Service should be afforded an opportunity of acquiring a knowledge of diseases peculiar to the Tropics before taking up their appointments.

The matter came before the Committee of Management of the Seamen's Hospital Society on the 11th February, 1898. After careful deliberation, the Board adopted the

suggestion of the Secretary of State, and further resolved that the School should be established in connection with the Branch Hospital at Connaught Road, Albert Dock, where a large number of sailors from the East were treated. It was resolved that the School should be open to all medical graduates. In 1920 the School was moved to Endsleigh Gardens, where the Society also started a Hospital for the treatment of diseases peculiar to the Tropics.

Throughout its existence the School enjoyed assistance from the Colonial Office. Not only Mr. Joseph Chamberlain, but also Mr. Lewis Harcourt, Mr. Austen Chamberlain and Lord Milner gave it their active support, by presiding at functions and helping to raise funds, thus enabling the School to make continuous progress.

In 1923, the Rockefeller Foundation offered a sum of £450,000 to the Ministry of Health, with a view to establishing a School of Hygiene, in which diseases peculiar to hot climates were also to be dealt with, and the Government also promised a substantial subsidy towards maintenance. It was felt by the Seamen's Hospital Society that it would be to the advantage of the medical profession, of the Tropical Colonies, and of all concerned, that these activities should be grouped under a single administration, it being at the same time agreed that the name of the London School of Tropical Medicine be retained or continued in the new building, and that the teaching staff and other employees should be secure in the continuation of their interests. Two members of the Board of Management of the Seamen's Hospital Society are members of the Court of Governors, and one a member of the Board of Management of the London School of Hygiene and Tropical Medicine. These changes do not affect the Hospital for Tropical Diseases, which remains one of the establishments of the Seamen's Hospital Society.

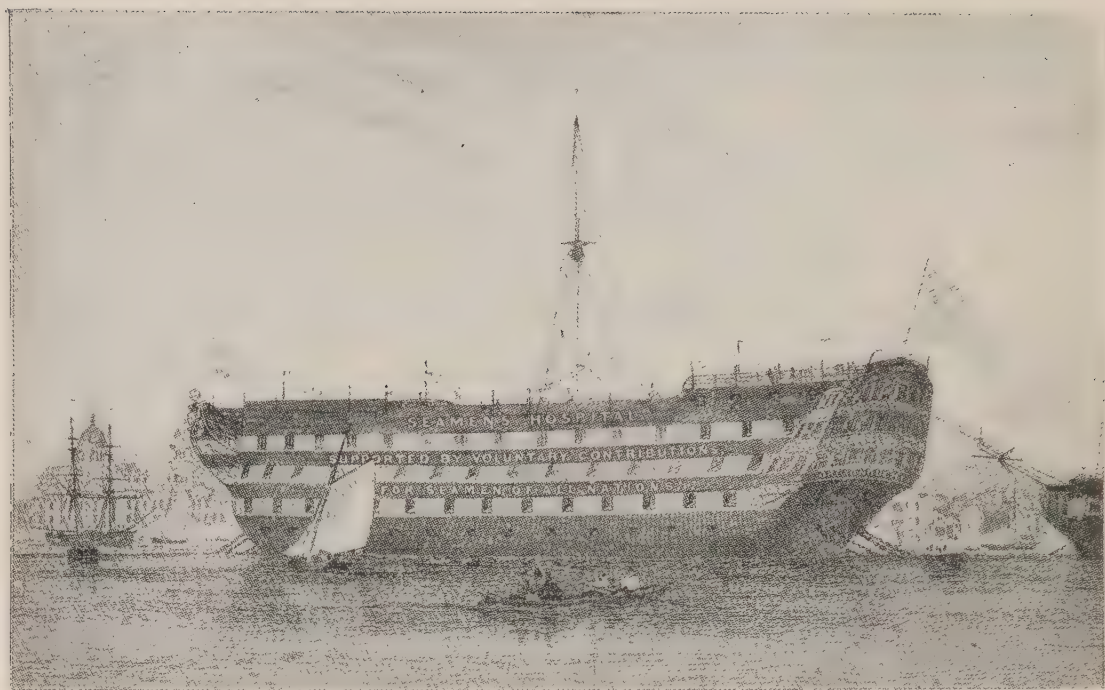

A financial statement of the School appears in the full Annual Report of the Society.

This highly-successful and thriving School will carry on both the research work and the instruction of medical graduates with increased facilities and a more extended sphere of action.

The Committee regret to report the death of Sir Sydney Russell Wells, M.P., M.D., B.Sc., F.R.C.P., the Senior Physician at the Dreadnought Hospital. Sir Sydney was one of the leading Heart Specialists of the day, and himself died of an affection of the heart. There can be no doubt that the strain of Parliamentary work, added to a busy professional life, was too great a tax for his strength. Sir Sydney joined the Medical Staff at the Dreadnought in 1906. He was keenly interested in the proposed improvements in the Hospital, and was especially anxious that a Department should be equipped with the latest apparatus for the diagnosis and treatment of heart cases. It is hoped that it may be possible to carry out his wish, and to name the Department after him.

The Society have lost another distinguished member of the Honorary Medical Staff, by the death of Sir Malcolm Morris, K.C.V.O., F.R.C.S. Sir Malcolm Morris joined the Staff of the Society at Greenwich in 1905, as Surgeon for the Diseases of the Skin, upon which subject he became the leading authority. From 1919 until the time of his death he was a Consulting Surgeon to the Hospital. He did much valuable work for the Society in pre-war days, more especially in connection with the London School of Clinical Medicine.

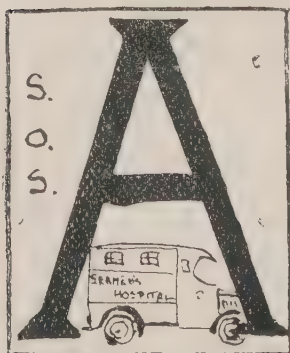

The Committee wish to thank all those who have given them their support, which has enabled them to carry on the work of the Society with great advantage to the Sailor, and trust that they may continue to have the confidence and sympathy of the many friends of the Mariner. It will be

EVENTS OF THE YEAR 1924.

The Annual Court of Governors of the Seamen's Hospital Society was held at the Hotel Cecil on Monday, 10th March, 1924, at 3 o'clock, under the presidency of the Rt. Hon. Viscount Chelmsford, G.C.S.I., G.C.M.G., G.C.I.E., G.B.E., First Lord of the Admiralty. About 500 Governors and friends of the sailor were present. Sir Arthur Clarke, Sir John Wimble, Captain A. M. Hughes, and Mr. Cecil Rowntree also addressed those assembled. The Hotel Cecil orchestra played before and after the meeting, and tea was served in the Grand Hall.

At the Dreadnought Hospital the Committee had the honour to receive a visit from H.R.H. Prince George on Monday, the 24th March. His Royal Highness has also been graciously pleased to add his name to the list of subscribers to the Seamen's Hospital Society.

Admiral the Hon. Sir Algernon Boyle, K.C.B., C.M.G., and Sir Franke Notley, K.B.E., have been elected members of the Board of Management.

Sir R. Havelock Charles, G.C.V.O, K.C.S.I., a member of the Board since the year 1916, has resigned his seat on the Board to the regret of his colleagues.

Dr. Henry MacCormac, C.B.E., M.D., M.R.C.P., who was a member of the Honorary Medical Staff of the Dreadnought Hospital from 1912 to 1918, when he resigned, has, on the invitation of the Board, again joined the Staff as Consulting Dermatologist.

With regret, the Committee has received the resignations of Messrs. Young & Hall, who have been Architects to the Society since the year 1890.

King Edward's Hospital Fund for London, King George's Fund for Sailors, the Metropolitan Hospital Sunday Fund, the Hospital Saturday Fund, the Seamen's Hospital Aid Committee, and the Hospital Welfare Society, have again rendered very substantial aid.

King George's Fund, in addition to making their usual grant, have paid over a sum of £1,350 for the endowment of a bed at Tilbury in memory of Admiral Sir Robert Moorsom, K.C.B., and Captain Wm. Moorsom, C.B., R.N.

The Seamen's Hospital Aid Committee have endowed two more beds in the Dreadnought Hospital. The tablet over No. 3 bed was unveiled by the Mayor of Greenwich, Mr. Sidney N. Horne, on Thursday, the 18th September, when there were also present Sir Arthur Clarke, Sir Frank Dyson, the Astronomer Royal, Sir Charles Stone and a large number of others.

The Lords Commissioners of the Admiralty have made a grant of £2,000 to the Society, being balance of Naval Prize Fund not required for payment of Prize Shares.

The support afforded by the general public has not only been maintained, but has been increased, thus showing a recognition of the part that the Sailor takes in all that concerns the well-being of this country.

HOSPITAL FOR TROPICAL DISEASES.

For the London School of Tropical Medicine something has been said in the Report. The School, under its new management, remains for the time being at its old home in the building at Endsleigh Gardens, which houses also the Hospital for Tropical Diseases. For the Hospital the Society continues to be responsible.

Col. J. J. Pratt has resigned his appointment as Surgeon at the Hospital for Tropical Diseases, and has been elected to the Consulting Staff.

Sir Thomas Carey Evans, M.C., F.R.C.S., and Mr. T. Pomfret Kilner, F.R.C.S., have been appointed Surgeons to the Hospital for Tropical Diseases in the place of Sir James Cantlie and Col. Pratt.

Col. R. H. Elliot, I.M.S., has resigned his appointment as Ophthalmic Surgeon at the Hospital for Tropical Diseases.

CONCERNING TILBURY HOSPITAL.

On Friday, the 27th of June, H.R.H. the Duke of York declared open the Singhanee Ward for Lascar patients, and at the same time laid the foundation stone of the new buildings. About 1,000 persons were present, including H.H. the Rajah of Mandi, Captain Sir Arthur Clarke, Admiral the Hon. Sir Algernon Boyle, Admiral Sir E. R. Fremantle, Admiral Sir George Hope, Captain A. M. Hughes, Admiral of the Fleet Sir Henry Jackson, Sir Charles Stansfield, Col. F. H. D. C. Whitmore, Sir George and Lady Lloyd, and a large number of Governors of the Corporation, residents of Tilbury, and heads of the large works in the neighbourhood.

Successful Garden Parties were held during the year in aid of this Branch. Mrs. H. E. Brooks organised a Garden Party in her grounds on the 2nd July, when there was a large attendance, and a Fete was arranged by Mrs. Bean and held in Tilbury Gardens on the 17th September. Both of these were most successful functions.

The new buildings are now in progress, Messrs. Mowlem & Sons' tenders for foundations and superstructure having been accepted by the Committee.

The Tilbury Coaling Company have been most generous to the Hospital, and have kept the Institution supplied with coal free of cost throughout the year.

Mr. R. W. Balfour Barrow, M.B., Ch.B., has been appointed Honorary Ophthalmic Surgeon to the Hospital at Tilbury.

The Rev. W. C. Bown, Vicar of St. John's, Tilbury, has been appointed Honorary Chaplain to the Institution.

Miss A. M. Fairbairn has resigned the appointment of Matron at the Hospital, and this has now been filled by Miss M. Ireland, Home Sister at the Dreadnought.

ING GEORGE'S SANATORIUM FOR SAILORS has been provided with a "Listening-in" set, thanks to the efforts of Sir Algernon Boyle.

The Rubber Growers' Association have generously provided a rubber flooring for the X-ray room at the Sanatorium, and have also made a grant towards the cost of laying this floor.

Miss J. Williams, R.R.C., who has been Matron of the Sanatorium since its opening, has resigned, and the Board have appointed in her place Miss A. M. Hobling, a former Sister at the Dreadnought Hospital.

HE ANGAS CONVALESCENT HOME at Cudham held its Annual Fete on Saturday, the 5th of July. Admiral G. R. Mansell declared the Fete open, and a large company were present.

LIVING amid the very ships and quays themselves, the Albert Dock Hospital continues to give great and oft-needed service to sailors and those employed at the Docks. In fact, this is as busy and popular a little hospital as any in London. The thanks of the Society are due to Mr. R. W. Vagnolini and his Committee for their unwearying efforts for the well-being of the Hospital. The Annual Entertainments arranged by them at the East Ham Palace, were held on the 18th and 19th December, and were enthusiastically supported.

↔ Samaritan Fund. ↔

THE Committee invite those Governors and Subscribers to the Society, and all friends of Sailors, who do not already contribute to the Samaritan Fund, to become Subscribers of 5/- a year.

As is well known, the desire of the Seamen's Hospital Society is not only to cure the sick and injured, but to succour those who, through shipwreck, sickness, or other misfortune, are in distress when leaving the Hospital. The Samaritan Fund enables the Committee to assist such by providing clothing for those in need, and railway and boat fares to different ports in the United Kingdom to those who, but for the Fund, would find themselves among strangers in the Port of London—without money, and without a home. The incurable and those past work are sent, when practicable, to whatever part of the world they may belong.

Presents of Clothing and left-off Wearing Apparel will be most thankfully received and acknowledged.

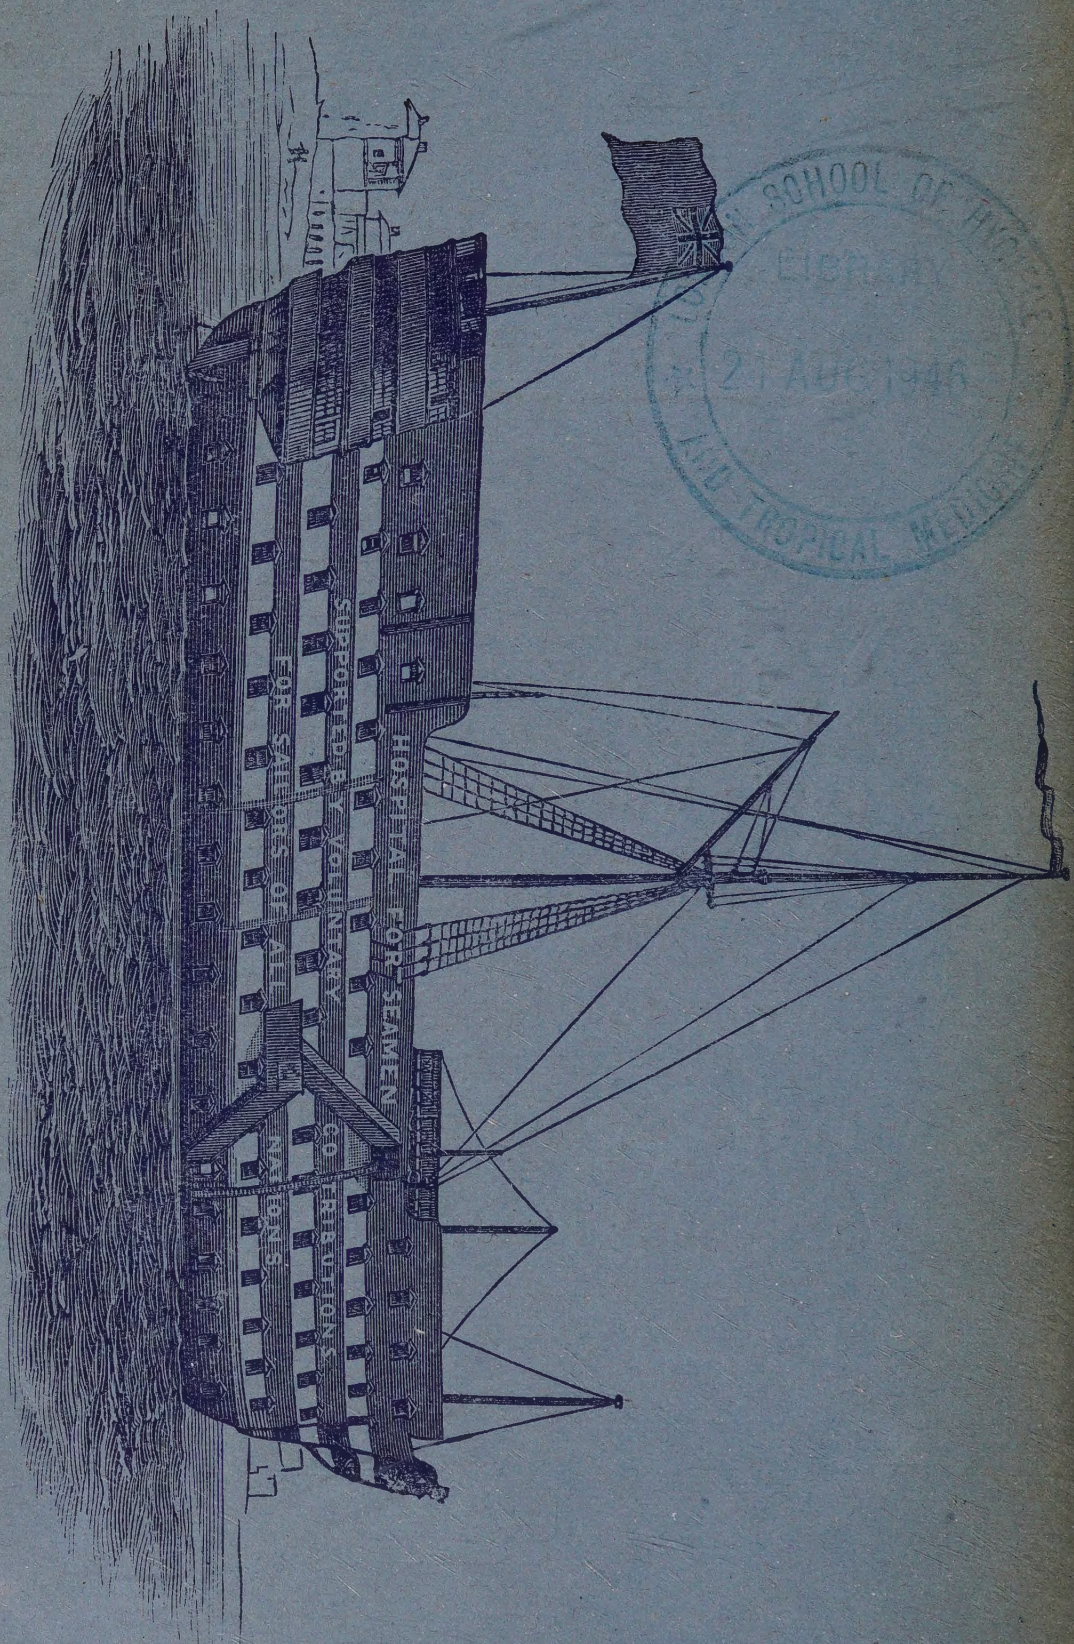

Reproductions of Hollar's Long View of Greenwich are on Sale at the Hospital, for the benefit of the Samaritan Fund, price 2/6. Framed, 5/-.

A Bed may be Endowed
and Named for £1,000.

“ I feel confident that the British public will ever bear in mind what they owe, not only to men of the Service to which I belong, but also to the equally gallant men of the Merchant Fleet.”

BEATTY,
Admiral of the Fleet.
